APPOINTMENT

Assistant Professor

August 2021 - Present

School of Journalism and Communication

Peking University

RESEARCH AREAS

-
- Emerging communication technology
 - Computational social sciences
 - Media effects on diverse groups
 - Health communication
 - Political communication

EDUCATION

Ph.D. in Communication

August 2017 – May 2021

Edward R. Murrow College of Communication

Washington State University, USA

M.A. in Emerging Media and Communication

August 2014 - May 2016

School of Arts, Technology, and Emerging Communication

University of Texas, Dallas, USA

B.A. in Journalism

September 2010 - July 2014

School of Journalism and Communication

Xi'an International Studies University, China

RESEARCH GRANTS

-
1. **Co-PI**, *Research on the innovative path of intelligent communication empowered wisdom and health of the elderly in Shanghai from the perspective of healthy aging* (2022/10-present).
 - Shanghai Philosophy and Social Science Planning Annual Project, ID: 2022ZXW005, 60,000 CNY (\approx 8,233 USD)

2. **PI**, *Research on the evolution mechanism and governance countermeasures of online misinformation amid the “infodemic”* (2022/9-present).
 - National Philosophy and Social Science Project, ID: 22CXW011, 200,000 CNY (\approx 27,443 USD)
3. **PI**, *Social media use and health attitudes, beliefs, and behaviors* (2022/4-present).
 - Humanities and Social Sciences Start-up Project of Peking University, ID: ZX004, 200,000 CNY (\approx 27,443 USD)

PUBLICATIONS

Book
